RE: Dominion Energy South Carolina, Incorporated's 2021 Avoided Cost Proceeding  
Pursuant to S.C. Code Ann. § 58-41-20(A)  
**Docket No. 2021-88-E**

Dear Ms. Boyd,

Attached for filing in your office is the South Carolina Office of Regulatory Staff's Proposed Order pertaining to the above referenced docket. The attached Proposed Order is drafted based on the Commission accepting ORS's recommendations presented in its testimony. As stated at the hearing during which the report of London Economics International, LLC ("LEI") was presented, while ORS does not agree with everything in LEI's report and does not view the recommendations in that report as binding for purposes of future proceedings if they were to be accepted, ORS is willing to accept the report as a compromise of the issues in this proceeding.

Sincerely,

Christopher M. Huber
